25TH ANNUAL MOYER OPEN PRO-AM CHARITY GOLF OUTING  
BENEFITING ST. MARY'S CHILD CENTER

---

Founded in 1961, St. Mary's Child Center provides services to children who have or are "at risk" of developmental, learning, or behavioral problems. We offer early intervention services for three- to five-year-olds who have experienced poverty, abuse, neglect, parents with disabilities or addictions, and violence in their home or neighborhood. These children have difficulty acquiring the social, emotional, and cognitive skills needed for success in school and later in life. Through early intervention, we can change the course of a child's life. St. Mary's serves more than 300 children each year in Indianapolis. No child has ever been denied services for financial reasons.
